Detailed diaphragmatic hernia course by a galaxy of domain experts, including step-by-step exposition of procedures and live surgery demonstrations. Expert to be very comfortable with aspects of redo hiatus hernia surgery. Gastric volvulus and PEH management. POEM, and robotic hiatus. If the diaphragm is part of your operative field, you need to do this course!

---

## **SMAWRT WORKSHOP**

₹ 4,900/-

**(Presentation skills, editing skills, social media, etc)**

**Director : B Ramana | Coordinator : Naveen Alexander**

**Faculty : R. Parthasarathi, Danny Rosin, Igor Belyansky**

Who wouldn't like to impress an audience, including a hardened bunch of surgeons? How do you develop your skills as a speaker and a presenter? How can you make a quick and smart video on your computer or mobile phone? This is probably your best (and cheapest) chance at becoming more savvy, like those cool kids you have always envied!

---

## **FOUNDATIONS OF LAPAROSCOPIC HERNIA SURGERY**

₹ 2,900/-

**Director : David Chen | Course Co-director : Brian Jacob | Coordinator : Barbora East**

**Faculty : Jan Kukleta, Jaideepraj Rao, Mauricio Zuluaga Zuluaga, Sudhir Kalhan, Heitor Santos, Parveen Bhatia, Lakshmi Kona, J S Rajkumar, Baiju Senadhipan, Hemant Patil, Abhishek Tiwari, Pawanindra Lal, Parveen Bhatia, Sandeep Dave, Yogesh Mishra, Kalpesh Jani, Deborshi Sharma, Saurabh Gandhi, Kamlesh Khandelwal, Vinay Mehendale, Sunil Popat, Jyotsna Kulkarni, Sumanta Dey, Pinky Thapar**

If you want to begin exploring minimally invasive hernia surgery then this course is for you, it will comprise of instructional video-based talks on a step-by-step approach to safe lap inguinal hernia surgery as well as IPOM for ventral hernias. The course will be taught by those who have learned these tricks the hard way over decades of practice. Once done, you will find far more certainty and confidence in what to do when you embark on MIS for hernias.

---

## **OPEN COMPONENT SEPARATION: TAR A-Z**

₹ 5,900/-

**Course Director: Sean Orenstein | Coordinator: Mandeep Kaur**

**Faculty : Heather Bougard, David Lourié, Keith Towsey, H Shivaram, Pramod Shinde, Miguel Garcia-Ureña, Nico Quezada, Paul Szotek, Javier Lopez Monclus, J B Agarwal**

Master this one technique. Many of the topmost AWR experts in the world don't feel the need to offer much more than just this one operation, such is its versatility and power ! if complex open hernia surgery is your field of interest, then this course is for you. Structured learning with close group discussion on every of TAR. Led by names who you would know in your sleep.

---

## eTEP A-Z

Rs. 5,900/-

**Course Directors : Jorge Daes , Igor Belyansky , B Ramana | Coordinator: Rajesh Shrivastava**

**Faculty : Azat Akhmetov, Andrew Lederman, Rockson Liu, Rahul Mahadar, Vlad Burdakov, Ashwin Masurkar, Mukund Khetan, Ashwin Thangavelu, Deepak Subramanian**

This is the one operation that took the world by storm, Whether for inguinals or for ventrals, be it for a 4 cm defect or a 15 cm one, eTEP promises the wide spectrum of benefits of MIS surgery. Yet manages to replicate, step-by-step, most, if not all, aspects of open Rives-Stoppa and TAR procedures. The course is led by those who invented and developed the procedure. You know all of them.

---

## UNDERSTANDING AWR IMAGING

Rs. 2,900/-

**Course Director : Eric Pauli, David Lourié | Coordinator: Eham Arora**

**Faculty : David Lourié, Brijesh Dube, Ankit Mishra, Keyur Yagnik**

If you have always been fascinated by how others read so much into the murky shadows of a CT scan, then you cannot miss this course. Learn to read your own CT scans and plan your surgeries better. The course would have completely new material and give you a roadmap to start interpreting scans better. Also, learn how to give TAP blocks and inject Botox for complex and giant hernias. Faculty for the course are simply world class. But then that is true for all our other courses, too!
